NEPTUN WERFT Opens Doors to Prospective Employees and Interested Visitors

Applicant Day on 11 September 2026, starting at 1:00 p.m. (13:00)

Rostock, 28.08.2026 – NEPTUN WERFT is looking for dedicated and motivated individuals with an interest in shipbuilding and offers a wide range of career opportunities across various fields. To give interested candidates the chance to get to know the company and working life at the shipyard, NEPTUN WERFT will host an Applicant Day on 11 September starting at 1:00 p.m.

Whether you are just starting your career, an experienced professional, a career changer, or someone looking for a new professional direction, the Applicant Day offers valuable insights into the diverse career and development opportunities available at the shipyard. Individuals interested in starting vocational training as part of a second-career pathway are also warmly welcome.

Employees of NEPTUN WERFT will guide visitors around the shipyard, provide insights into daily operations, and answer questions about shipbuilding, the various fields of work, as well as training and entry-level opportunities.

A special highlight of the event will be an exciting presentation on the future-focused topic of offshore energy. Participants will learn about NEPTUN WERFT's role in the offshore energy transition and explore the career opportunities emerging in this growing and forward-looking business sector.

NEPTUN WERFT offers a wide range of employment opportunities in different areas and also provides vocational training in the professions of Structural Mechanic, Industrial Mechanic, Plant Mechanic, and Electronics Technician for Industrial Engineering.

In 2026, NEPTUN WERFT was once again recognized by the Rostock Chamber of Industry and Commerce as a “TOP Training Company” in recognition of its outstanding commitment to vocational training.

Both apprentices and skilled professionals benefit from long-term career prospects, diverse development opportunities, and secure employment in a future-oriented industry.

Interested candidates can register for the Applicant Day here:
